Fabio Massimo Castaldo

The EU's strategic relationship and partnership with the Horn of Africa
(2021/2206(INI))

Proposal for a recommendation

Paragraph 1 - point u

Proposal for a recommendation

Amendment

(u) provide immediate assistance and long-term support to the countries hosting and assisting refugees in order to secure their protection; facilitate the resettlement of displaced persons and internally displaced persons; coordinate diplomatic efforts to call on the governments of countries in the region involved in ongoing conflicts to halt indiscriminate attacks against civilians and civilian infrastructure, and to protect the civilian population, including taking all steps to ensure that refugees and internally displaced persons are protected and given full access to humanitarian aid, including food, water and shelter; provide support to countries in the region to mainstream efforts with a view to supporting the appropriate reforms to ensure better management of pastoral mobility and reduce economic vulnerability during crises such as droughts in order to better control the factors that contribute to tensions and conflicts involving pastoral communities;

(u) ***adopt a policy for the regional placement of refugees;*** provide immediate assistance and long-term support to the countries hosting and assisting refugees in order to secure their protection; facilitate the resettlement of displaced persons and internally displaced persons; coordinate diplomatic efforts to call on the governments of countries in the region involved in ongoing conflicts to halt indiscriminate attacks against civilians and civilian infrastructure, and to protect the civilian population, including taking all steps to ensure that refugees and internally displaced persons are protected and given full access to humanitarian aid, including food, water and shelter; provide support to countries in the region to mainstream efforts with a view to supporting the appropriate reforms to ensure better management of pastoral mobility and reduce economic vulnerability during crises such as droughts in order to better control the factors that contribute to tensions and conflicts involving pastoral communities;
